WHAT IS A REMARQUE?

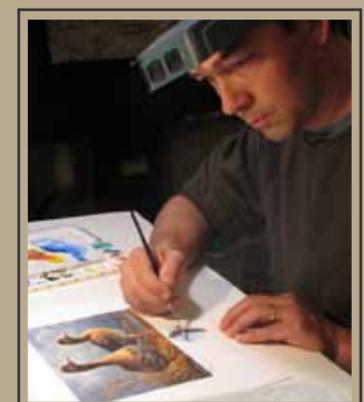

A remarque is a small original work of art. Each one is hand-drawn or painted with painstaking detail by the artist on the margin of your print. Each is unique. Executive and President's edition prints are an exciting way to obtain an original work of art that perfectly complement your duck stamp print.

THE ARTIST JAMES HAUTMAN

He burst onto the wildlife art scene in 1989, when at age 25, he became the youngest ever winner of the prestigious Federal Duck Stamp Contest. He has gone on to win the 1995, 1999, and 2011 Federal contests. In addition to his four Federal Duck Stamp wins, he has painted more than 20 state conservation stamp designs and the 1990 Australian duck stamp. Pheasant Forever has also selected him as Artist of the Year for the years 1993, 2004, 2008, and 2010. In 2002 he was commissioned by the United Nations to paint a series of birds for their endangered species stamp collection. Publications such as Time magazine, USA Today and The Wall Street Journal have featured articles on his work.
